**DESIGN
CENTRAL**

Welcome to Design Central 2023!

Welcome to our first ever Design Central in Essex. We are thrilled to be able to bring you so many amazing brands in such a stunning location as Down Hall, and we hope you have a productive, inspirational, and enjoyable day.

Our many exhibitors are spread over two floors, and we are delighted to have the Havwoods amazing bus showroom with us.

Following on from the Royal events of this last weekend, we hope you enjoy using your commemorative tote bag.

Lunch, tea, coffee, and cakes etc can be purchased in the Bar area, and afternoon tea can be ordered.

The BIID National Design Awards are again sponsored by Design Central and Havwoods, take place in October at The Drapers Hall in London, the tickets to the event will be on sale soon. It is a stunning venue and great afternoon.

Upload your day, your friends, your favourite finds or inspiration to Instagram, LinkedIn, or Facebook, @designcentraluk #designcentraluk. There is a prize for the best post of each day!

Desert Dreams – wallcovering collections spring 2023

In the silence of the desert the wind whispers softly, the warm sand forms high dunes, the red evening sun disappears into the night and billions of stars twinkle in the sky... Will you join us on an adventure?

Discover the different designs of wallcovering with the intriguing facets that the desert has to offer as a common thread. Desert Dreams takes you on an unlikely journey through the Sahara where desert sand, traditional textiles, the sun, colourful oases and all other elements of nature served as inspiration for the choices of materials, colours and textures. Desert Dreams encompasses no less than five new wallcovering collections: Antigua, Kharga, Les Forêts, Alaya and Osmanthus. Each of them has a variety of gorgeous patterns and colours to offer.

IAIN JAMES

FURNITURE

Artistic Upholstery is currently celebrating its 70th of manufacturing quality upholstery. Founded in 1952 by Jim Mitchell it remains privately owned and managed by the founding family, now in its third generation.

We pride ourselves on the quality of our product, all our frames are made from solid timber and each piece is made by one upholster from start to finish. We offer an exciting broad range of standard models, all of which can be made to bespoke sizes and regularly work closely with interior designers and specifiers to recreate their vision.

Iain James furniture offers a comprehensive range of quintessential English manufactured classical furniture in a wide range of exciting timbers, including Burr Walnut, Oak, Rosewood and Mahogany to name a few, along with various painted finishes.

Our timeless designs display understated, yet sophisticated styling and a great companion for both contemporary and classical upholstery. Most of our comprehensive range are available in bespoke sizes and we offer an amenable, approachable service to interior designers and retailers alike.

Art of the Loom

Our in-house design team travel extensively, seeking inspiration in both colour and design to create fabric collections that are on trend, whilst still effortlessly easy to incorporate into your scheme.

All of our beautiful collections are created in our very own design studio, giving us absolute control over colour and style. It is this vertical approach that allows the launch of so many varied and successful commercial collections.

Embracing the very latest digital print technologies, we are able to print onto natural and polyester base fabrics. Our rapid response production team man our machines that are capable of printing both direct to textile and dye sublimation.

Ashley Wilde

Soft Furnishings since 1950

The SS23 Ashley Wilde collection offers breathtaking finishes using a combination of unique techniques, eye-catching jacquards and beautiful timeless classics. The collection ranges from opulent textures and natural leafy trails to soft colours and striking animal designs. Available in multiple colour pallets and tones, all to suit any interior space or home.

Using a variation of charming and versatile materials, this collection was specifically designed to depict nature's beauty in an elegant and timeless way. The inspiration for this collection was taken from nature's wonders such as natural leaf trails teamed with decorative textures and Baux, animal print combined with metallic yarns and gorgeous natural colours that resemble classic and contemporary interiors. We are excited to be exclusively showcasing this new SS23 Ashley Wilde Designs collection at this year's Design Central. For any questions or queries about the new range please visit us at the stand or contact us on the details below.

brand mckenzie

Brand McKenzie specialises in stunning wallpapers that stimulate the eye, captivate the mind, and spark conversation.

Featuring intriguing hand-drawn designs by a team of skilled artists, the papers breathe new life into bland walls, and showcase the many years' worth of experience founders Richard Brand and Kerry McKenzie have in interior décor. Brand McKenzie presents its new collection Heart Deco which steps back in time to the opulent art deco era when extravagance was very much the order of the day.

Drawing inspiration from buildings, people, plants and animals that evoke the glamour of the 1920s and 1930s, the collection comes in a contemporary colour palette that gives the collection a 21st Century spin. Brand McKenzie wallpapers are designed and digitally printed in the UK and are available at reputable stockists. They can also be customised on request.

With over 30 years' experience in the soft furnishings and interiors industry, family-owned Catherine Charles are very proud to be able to offer our fellow trade-only professionals across the country, uniquely crafted, British made headboards, pelmets and ottomans.

Whether you choose from one of our standard shapes or design your own, each piece will be created entirely by us in your supplied fabrics using both traditional and modern upholstery techniques, along with state-of-the-art CNC machinery to deliver something truly individual and special every time.

From the understated, elegant and demure, to a spectacular stand-out piece that pushes the boundaries, Catherine Charles welcomes any creative challenge and very much looks forward to working with you!

CHATHAM GLYN

Chatham Glyn has grown into a contemporary textile converter that offers interior fabrics and decorative fabrics, since 1982.

Chatham Glyn focuses on the mid-range: it is neither the most expensive, nor the cheapest. The results clearly show that customers feel dependability and therefore continuity to be more important.

Distinctive and perfect design, an exclusive collection that is always available from stock, personal attention for customers, honest business practices and excellent value for money are important core values for Chatham Glyn. In addition, more and more companies are realizing that Chatham Glyn offer valuable expertise and innovation. Chatham Glyn is prepared for the future!

The Clarissa Hulse luxury fabric and wallpaper collection is an invitation to wander into a magical Wiltshire Garden - where wildflowers and seedheads glow against luminous, open skies.

This collection is the culmination of over twenty years spent hand printing botanical designs, and is a celebration of the timeless beauty of the natural world. Clarissa's secret is to play as little as possible with nature's own compositions in order to capture the effortless elegance of organic patterns. The fabrics are available in multiple colours and tones. The Clarissa Hulse collection is being exclusively launched at this year's Design Central. For any questions or queries about the new range please visit us at the stand or contact us on the details below. Now available to purchase.

OMEXCO

Fine Belgian Wallcoverings

Omexco is a Belgian brand of fine wallcoverings, founded in 1976. In our atelier close to Brussels, we design and manufacture exquisite wall decorations to dress your rooms in tactile beauty. Printed, woven or natural, each one of our creations is custom cut to bring poetry to your space.

Over the years, we acquired a broad expertise in printing on non-woven and textile wallcovering. We offer a wide range of designs, from contemporary to classic. As an established designer and producer of luxury wallcoverings, we control the whole process from the original idea all the way to the production process and the shipping of the final product. This allows us to always offer a flawless high-end product.

Reducing our environmental footprint is at the heart of every decision we make, since the seventies.
We don't cover your walls, we make them stand out.

PREMIERCHOICE

Premierchoice – Bespoke Curtains and Roman Blinds

We are a specialist trade only supplier of bespoke handmade curtains and roman blinds, with 45 year's operating experience from our Cambridgeshire workroom. We provide a national service to designers, soft furnishers and retailers, trading within the mid to high end of the market.

Our quality systems range from the checking of fabrics upon receipt, culminating with the curtains and blinds being test hung prior to despatch. The progress of orders can be tracked, or you can simply call/email one of our friendly customer facing members of staff.

Our speciality is all things handmade in curtains/roman blinds, a large percentage of what we make being interlined. Oversize multi width and large drop curtains are available, as well as manual/motorised romans up to 3m in width and drop.

We can accommodate from small to large multi volume orders, with a manufacturing time from receipt of fabric of between two and three weeks.

Generally, we deliver on our own vehicles, with our employed drivers. We look forward to seeing you on our Stand which will be featuring our beautiful roman blind pelmets.

ROUGH OLD GLASS

HAND SILVERED ANTIQUED MIRROR | VERRE ÉLOMINÉ | FRAMING

The team at the Rough Old Glass Workshops have handled countless pieces of original antique mirror glass and they now produce antique mirror glass as both a decorative surface finish and for more specialised bespoke restoration pieces that require more nuance. A bespoke mirror framing service is also offered. Rough Old Glass can now be found across the globe in many private homes, bars, restaurants and hotels.

Metal Clad was developed by the founders of Rough Old Glass. Patinating the Rough Old Glass metal mirror frames led seamlessly into producing larger flat and fabricated sheets of copper and brass in an array of aged finishes, for both residential and commercial projects.

Both companies are housed under one roof, so you can expect the same care and attention and quality of service as it's provided by one team of skilled artisans and office staff, albeit under a separate company structure.

Swaffer is an established fine furnishing fabric brand based in Cambridgeshire. Founded in 1973 by Anne & Robert Swaffer, it is now owned & managed by Lorena & Martin, who remain proud of its heritage of quintessentially English Floral prints, offering an array of designs.

VINCENT SHEPPARD

Vincent Sheppard strives to preserve and honour the rich history of Loom by translating the traditional technique into modern yet timeless furniture designs.

We use our invaluable expertise to make highly qualitative furniture for indoors and outdoors in a variety of durable and sustainable materials. Lasting a lifetime, Vincent Sheppard furniture is appreciated highly in the hospitality sector as well as for private use.

Your comfort is our priority.

WARWICK

Founded in the Cotswolds in 1988, Warwick UK has established itself as a well-known designer and distributor of exclusive domestic furnishing fabrics. Best known for an extensive and diverse upholstery plains offering, Warwick's decorative and drapery selection has steadily expanded to reflect both the needs - and the trends - of the textile market.

Delighted to be showing at the inaugural Design Central Essex, Warwick brings new trends and fresh design to Spring '23 with feature collection, Indienne. Inspired by an infusion of traditional horticulture, old block prints and ancient Indian design, Indienne showcases a union of floral prints, delicate embroidery and co-ordinating stripes.

Discover brand new collection, Cornucopia - an eclectic anthology of sophisticated velvet prints - and see the latest eco range launch: Oxford, a dual-purpose 100% recycled cotton, with unique plant-based easy-clean finish.
